The first recorded mileage for this vehicle is significantly lower than the UK average for it's age at the time. Whilst the report shows "No Discrepancy", we strongly recommend you take further steps to verify the odometer reading of this car. You can do this by requesting a 'Service History' using the button below and / or examining any service history or repair receipts evidencing the mileage that are available with the car. Please add this information to the report using the "Notes" feature above as it may be required for audit purposes.
